Education: The Stockbridge School of Agriculture – University of Massachusetts
Associate of Science Degree – 1993 - Major: Turfgrass Management
GCSSA continuing education points – 19.17 – Class A Superintendent

Experience:

Chicago Bridge and Iron – Quintero, Chile

Materials Management Coordinator (March 2008 – Present)

I supervised a construction materials warehouse responsible for receiving, inventorying, and issuing construction materials for a liquefied natural gas import/export terminal construction project. My organizational skills have helped me to coordinate materials for this \$880 million dollar project while becoming conversational in Spanish. Employee safety is an important aspect of my position and I am responsible for daily safety meetings and staff training.

Dulwich and Sydenham Hill Golf Course – London, United Kingdom

Consulting Golf Course Superintendent (June 2007 – December 2007)

Worked closely with the Director of Golf and the Golf Course Superintendent on improving maintenance standards and procedures, irrigation system upgrades, and fine tuning their fertilizer-pesticide programs. I was also instrumental on several bunker renovation and drainage projects.

Deep Cliff Golf Course - CourseCo – Cupertino, California

Golf Course Superintendent (July 2000 – April 2007)

Deep Cliff is a par 60 executive course located in the heart of Silicon Valley, annually recording over 70,000 rounds. We achieved Audubon Cooperative Sanctuary certification in 2005 under my direction. Major improvements in the bentgrass/Poa annua greens and Kikuyu/Ryegrass fairways were realized during my tenure. We also renovated several bunkers, tees, and cart paths. Other projects included installation of a new Toro LTC plus irrigation control system, adding drainage on almost every hole and root pruning trees encroaching on playing surfaces.

Barbara Worth Resort – International Golf Maintenance – Holtville, California

Golf Course Superintendent (March 2000 – July 2000)

Acquired valuable experience managing predominantly Hispanic maintenance crew and adverse environmental conditions. Responsible for all aspects of golf course maintenance as well as the resort grounds, gardens, pools and spa.

Rancho Del Pueblo - CourseCo - San Jose, California

Assistant Superintendent (July 1999 – March 2000)

I was instrumental during the grow-in of the Dominant bentgrass greens and Mirage bermudagrass fairways and tees.

Crystal Springs Golf Course - CourseCo - Burlingame, California

Assistant Superintendent (February 1999 - July 1999)

Responsible for crew supervision and maintaining courses award winning environmental monitoring program. We also completed the installation of a new Toro LTC plus irrigation system

Taconic Golf Club – Williamstown, Massachusetts

Assistant Superintendent (March 1997 - February 1999) Foreman (July 1994 - March 1997)

Involved with all aspects of golf course maintenance, providing championship conditions on a daily basis. We installed a new Toro irrigation system and hosted the USGA Senior Amateur Championship during my tenure

The Avon Golf Club – Avon, Connecticut

Foreman – Spray Technician (July 1993 – July 1994)

Responsibilities included fertilizer and pesticide applications as well as crew supervision for course reconstruction projects.

The Stanwich Club – Greenwich, Connecticut

Turfgrass Management Intern (July 1992–October 1992)

Cliffside Country Club – Simsbury, Connecticut

Turfgrass Management Intern (March 1991–September 1991)

Organizations: Golf Course Superintendents Association of America

Languages: Functional Spanish
